

**TRUANCY**

**NO. 501.10R2**

If a child is enrolled in kindergarten, or a statewide preschool program under Iowa Code Chapter 256C, at the ages of five or four, respectively, as of September 15, residing in the Burlington Community School District, that child shall be considered to be of compulsory attendance age unless the parent or guardian of the child submits written notice to the school district implementing the program of the parent's or guardian's intent to remove the child from enrollment in the school district kindergarten or preschool program.
