Anti-Bullying/Anti-Harassment Policy

The Burlington Community School District is committed to providing all students and staff with a safe and civil school environment in which all members of the school community are treated with dignity and respect. Bullying and/or harassment of or by students, staff, and volunteers is against federal, state, and local policy and is not tolerated by the board. Bullying and/or harassing behavior can seriously disrupt the ability of school employees to maintain a safe and civil environment, and the ability of students to learn and succeed. Therefore, it is the policy of the State and the school district that school employees, volunteers, and students shall not engage in bullying or harassing behavior in school, on school property, or at any school function or school-sponsored activity.

The full Policy and Procedures can be found in Board Policy 400.3.

Open Door Policy

Burlington Community School District maintains an open-door policy. Any employee may approach any of the administrative staff on an as-needed basis to address questions, concerns, problems, or other matters. Our expectation is that employees will use good judgment and communicate in a professional manner. In most cases, it would be appropriate for employees first to address questions or concerns with their direct supervisor and then follow up with higher management as needed, taking concerns up to the most senior level of management if necessary. Employees are also encouraged to discuss problems with a Human Resources representative at any time.

The full Policy and Procedures related to Employee Complaints can be found in Board Policy 400.4.

Iowa Ombudsman's Notice

The Iowa Ombudsman's Office has the authority to investigate complaints regarding administrative actions of any government Agency in Iowa under Chapter 2C of Iowa Code. The Office of the Ombudsman can be reached at (888) 426-6283. Additional information is available at

Any school employee who commits such acts is subject to disciplinary sanctions up to and including discharge.

It is the policy of the Burlington Community School District to respond promptly to allegations of abuse of students by school employees by investigating or arranging for full investigation of any allegation, and to do so in a reasonably prudent manner. The processing of a complaint or allegation will be handled confidentially to the maximum extent possible. All employees are required to assist in the investigation when requested to provide information, and to maintain the confidentiality of the reporting and investigating process.

The Burlington Community School District has appointed level-one investigators and alternates, and has arranged for or contracted with a trained, experienced professional to serve as the level-two investigator.

Results may be used in determining administrative assignments and contractual recommendations.

An administrator who is unable to work because of personal illness or disability, and who has exhausted all sick leave available, shall be granted a leave of absence without pay for the current contracted year, and not to extend beyond one subsequent semester. The employer may require such reasonable evidence as it may desire confirming the necessity of each absence.

B. Family and Medical Leave

Employees of the District are entitled to unpaid family and medical leaves to the same extent and subject to the same terms and conditions as set forth in the Family Medical Leave Act of 1993 and the regulations implementing the Act. The birth of a child can be considered illness in the family insofar as the father is concerned. Therefore, this leave provision can be used by the father so long as the mother is confined to the hospital as a result of pregnancy complications or for the actual birth.

The Employer may require such reasonable evidence as it may desire confirming the necessity of each absence.

Administrative/Exempt Secretarial/Clerical/Maintenance & Professional Services Staff

If the need arises for more illness in the family leave, an employee may request up to five (5) of their own Personal Illness and Injury days be transferred to their Illness in Family bank, if all days are exhausted. Under special circumstances, the Superintendent or designee may grant additional days. This will be reviewed on a case by case basis. Any requests must be submitted to and approved by the Superintendent or designee.

The Employer may require such reasonable evidence as it may desire confirming the necessity of each absence.

F. Death in the Family

Up to five (5) days of leave shall be granted at any one time for a maximum of ten (10) days per year in the event of the death of an employee's husband, wife, child, father, mother, brother, sister, grandmother, grandfather, grandchild, foster parent, foster child, step parent, step child, father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, or sister-in-law, and may be granted in the case of any other member of the immediate household.

Application for permission to attend the funeral shall be made in advance to the immediate supervisor or designee.

Where possible, time off to attend such a funeral shall be minimized to the extent necessary to attend the funeral and services. This leave may be used in hourly increments with the approval of the employee's immediate supervisor.

H. Emergency Leave

Each regular full-time twelve (12) month employee may be granted three (3) days of emergency leave per year (non-cumulative) with pay, over and above those days

I. Leaves of Absence (Without Pay)

A leave of absence without pay may be granted in case of emergencies, for personal reasons or education. Terms and conditions of each request are reviewed by the Employer and are based on the merits of each individual case.

J. Personal Illness Transfer

When, due to a long-term, life threatening personal or family illness or injury, an employee depletes all available paid leaves, said employee may request a transfer of personal illness and injury leave days from other District employees in the Meet & Confer group. For the purpose of this paragraph, family is defined as father, mother, husband, wife, brother, sister, child, custodial step child, and custodial grandchild.

Upon receipt of such a request and upon approval by the superintendent, employees may voluntarily donate up to a maximum of two personal illness or injury leave of absence days from their accumulated personal illness or injury leave to the employee who has exhausted his/her leave options. This language shall not, however, establish a permanent, district-wide sick days bank.

Employees can make one request for donation of personal illness or family illness or injury transfer no more than once every three years. The employee requesting the donated leave may receive up to twenty (20) days to be used as personal or, for the purpose of this paragraph, family illness leave. Upon recuperation from a personal illness or injury, or upon the recuperation or death of a family member, the unused donated days shall be returned to the employee who donated them. Donated days can be used throughout the remainder of the current school year on a first in-first out basis.

In the case of child birth:

-If an employee has less than 20 days of paid leave available, they may request donated days for a maximum of 20 days.

The superintendent or their designee shall make the final decision on all requests that are submitted. The Department of Human Resources shall track the transfer of such leave days from one employee to another, if approved.

To request donated days, you must have worked for the district for at least one calendar year.

The District may require diagnostic evidence to support the request for such additional days.
